Betsy Pond of Pond Roofing Awarded 2011 Virginia Roofing Contractor of the Year

Fairfax, Virginia—August 17, 2011: Betsy Pond, President of Pond Roofing and Exterior Company, was awarded the Contractor of the Year by the Virginia Association of Roofing Professionals. Pond Roofing Company is located in Fairfax, Virginia, and has been serving residents of Northern Virginia for 47 years.

Betsy was recognized by the Board for her efforts on behalf of the roofing industry in Northern Virginia. She is a member of the Board of Directors for the Virginia Association of Roofing Professionals, and was honored to receive the award.

Pond Roofing has also received a check mark by the local consumer magazine, Checkbook, and for the last 4 years, it has received Angie's List Super Service Award. In the May edition of the Washingtonian magazine, Pond Roofing and Exterior was named one of the best exterior companies in Northern Virginia. Pond Roofing was founded in 1964 by Betsy's father, Bob Pond.

About Pond Roofing

Pond Roofing has been providing Northern Virginia residents with quality roofing services since 1964. A family owned and operated business, its mission is to provide outstanding high-quality products and services with a focus on client satisfaction. Pond Roofing helps Northern Virginia homeowners maintain the look and value of their homes by offering professional roofing installation and repair services.

Pond Roofing provides services that meet the future needs for home energy efficiency while lowering home maintenance concerns. In addition to roofing, the company offers a variety of other services including ventilation systems, seamless gutters and downspouts, gutter repair, skylights, sun tunnels, doors and windows, siding, and the gutter protection system Gutter ProTech®. Over 90% of Pond Roofing's business comes from referrals from satisfied customers, including installing roofs on second- and third-generation customers' family homes. Pond Roofing is a Class-A licensed and fully insured contractor. For further information about Pond Roofing, visit the company web site at: www.pondroofing.com.
